

AYO™ BT

**WORLD'S FIRST MODULAR DIAPHRAGMATIC
BREATHING TRAINING RESPIRATOR**

AYO™ RESPIRATOR

AYO BT is the world's first modular diaphragmatic breathing training respirator. Designed in Australia with patented innovation, it is an essential tool to train and optimize diaphragmatic breathing through the nose.

Using AYO BT over a period of time will train you to use your diaphragm naturally and optimize your breathing through the nose. It does all these without having to focus on your breathing all the time, thus making it easier to adapt and better your general health or sports performance.

Key Features:

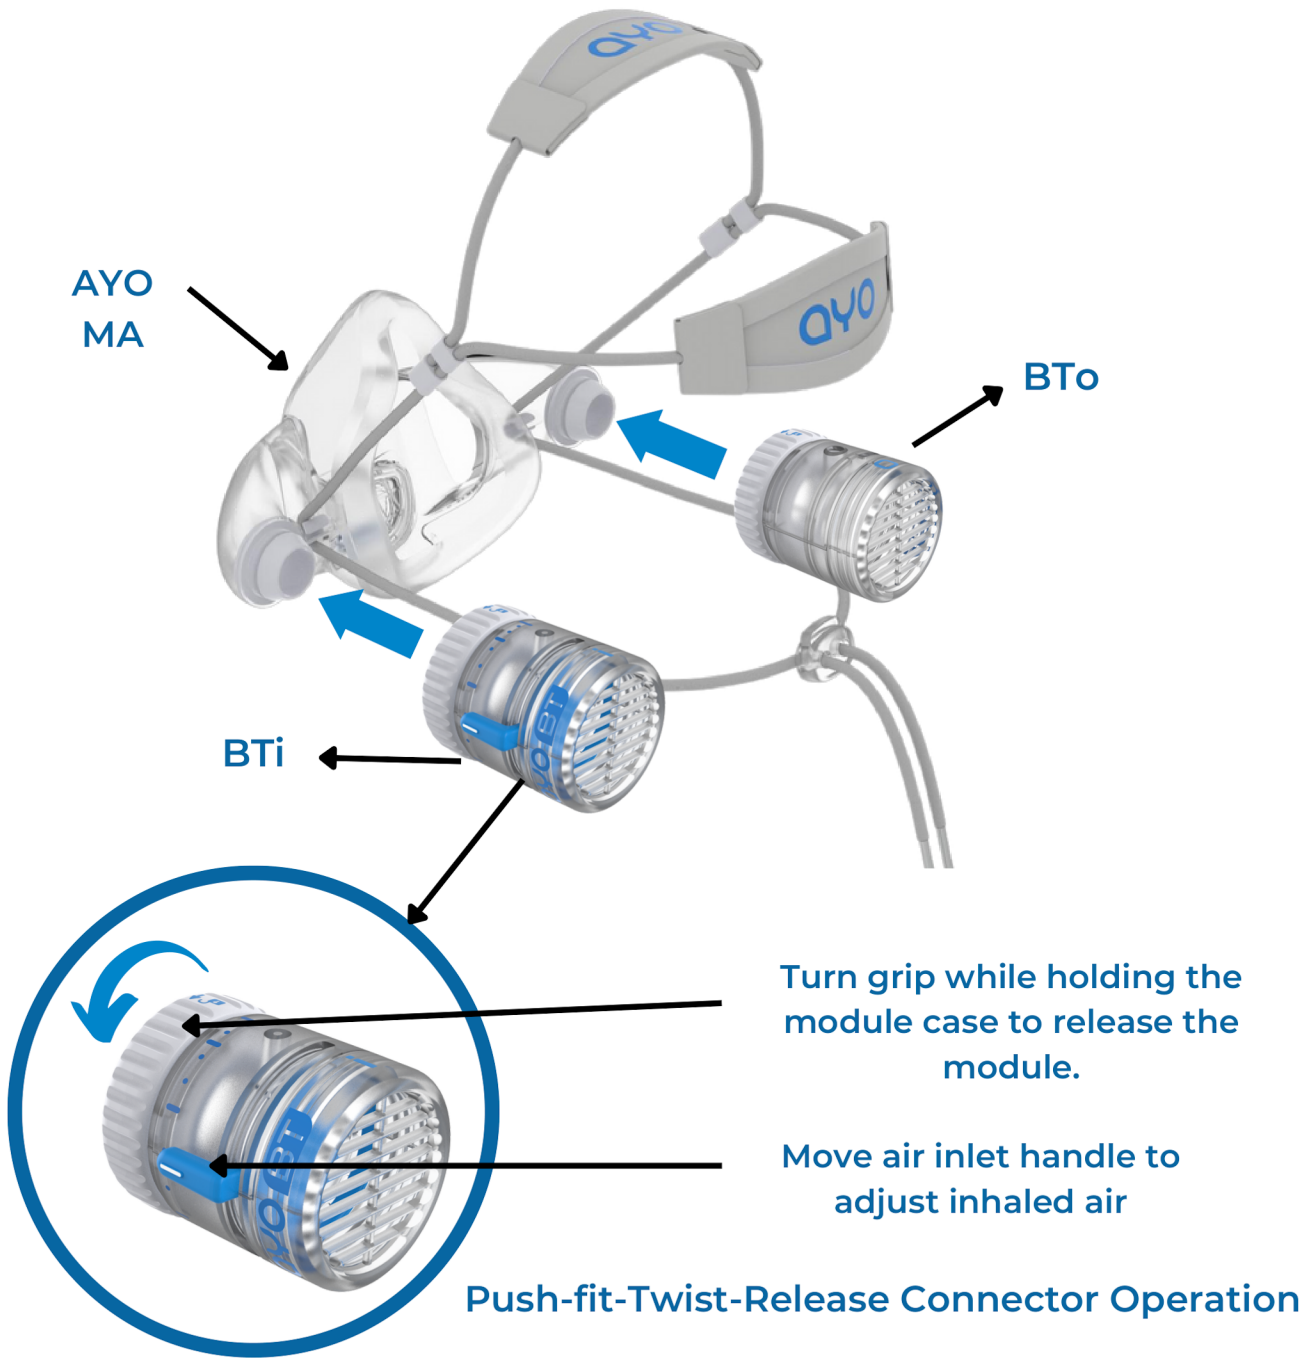

- Easy to use, adjust, talk, and clean.
- Excellent field of view at running and cycling.
- Easy changeover between inspiratory and expiratory training.
- Clear and comfortable medical-grade silicone mask
- Future upgradeable with breathing measurement.

Key Benefits:

- Train diaphragmatic breathing through the nose – Activate your diaphragm naturally.
- Prevent exercise-induced Asthma – Condition air intake and breath.
- Limit hyperventilation – Normalize breathing.
- Easier adaptation to higher CO₂ and lower O₂ – Reduce breathlessness
- Improve breathing efficiency and Boost VO₂Max.
- Condition, Strengthen and Optimize Breathing.
- Increase lung capacity and Enhance sports performance

AYO BT BASIC OPERATION

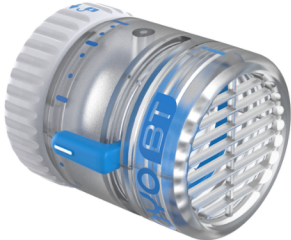

SKU	PRODUCT NAME	PRICE
AP059	AYO BT MEDIUM	AUD 141.10
AP060	AYO BT SMALL	AUD 141.10
AP061	AYO BT LARGE	AUD 141.10

QYO BT CONFIGURATIONS

	CONFIGURATION	TRAINING TARGET
INSPIRATORY TRAINING		<ul style="list-style-type: none"> • Train diaphragmatic breathing • Limit hyperventilation • Train inspiratory muscle (Independent control)
EXPIRATORY TRAINING		<ul style="list-style-type: none"> • Train diaphragmatic breathing • Limit hyperventilation • Train expiratory muscle (Independent control)
INSPIRATORY + EXPIRATORY TRAINING		<ul style="list-style-type: none"> • Train diaphragmatic breathing • Limit hyperventilation • Train inspiratory muscle (Non-independent control) • Train expiratory muscle (Non-independent control)
INSPIRATORY* + EXPIRATORY TRAINING		<ul style="list-style-type: none"> • Train diaphragmatic breathing • Limit hyperventilation • Train inspiratory muscle (Semi-independent control) • Train expiratory muscle (Independent control)

ACCESSORIES

AYO BTO

SKU	PRODUCT NAME	PRICE
AP0530	BTO - AYO BT OUTLET	AUD 34

AYO BTI

SKU	PRODUCT NAME	PRICE
AP0531	BTI - AYO BT INLET	AUD 34

Mask Assembly

SKU	PRODUCT NAME	PRICE
AP050Q	AYO MA Medium	AUD 109.80
AP051Q	AYO MA Small	AUD 115.20
AP052Q	AYO MA Large	AUD 120.70

ACCESSORIES

AYO Head Strap Assembly

SKU	PRICE
AP055	AUD 16.40

AYO Mask Bridge Assembly

SKU	PRICE
AP084	AUD 7.80

AYO Mask Speech Diaphragm Cover

SKU	PRICE
AP085	AUD 2.60

EVA case

SKU	PRODUCT NAME	PRICE
AP062	EVA CASE	AUD 30.20

AYO BT EVA CASE FOAM INSERT

SKU	PRODUCT NAME	PRICE
AP063	AYO BT EVA CASE FOAM INSERT	AUD 5.30

Strap Hook

SKU	PRODUCT NAME	PRICE
AP078	BT+ Strap Hook	AUD 4.80

aimwell®

ACHIEVING OPTIMAL BREATHING

We are healthy breathing innovators.

Our patented platform is revolutionizing how you train, rehabilitate, and optimize your breathing, addressing various breathing issues, from chronic diseases like asthma and COPD to improving sports performance.

We offer a comprehensive range of breathing solutions to enhance your respiratory performance.

Our mission: We strive to help you breathe safer and better
